Lane Closure for Capital Circle Northwest/Southwest Scheduled

Tallahassee – The Leon County-City of Tallahassee Blueprint 2000 Intergovernmental Agency announces that there will be a lane closure on Capital Circle Northwest/Southwest (SR 263) near the CSX overpass bridge between Blountstown Highway and Tennessee Street from September 27, 2008 to September 28, 2008.

Motorists are advised that the northbound lane will be closed from 7:00 pm Saturday, September 27, 2008 to 5:00 am Sunday, September 28, 2008 weather permitting. The lane closure is needed to allow Environmental & Geotechnical Specialist Inc. (EGS) to conduct Geotechnical borings.

Message boards will be placed throughout the corridor to notify motorists and flagmen will be on duty to assist with traffic control. Motorists are urged to use caution when approaching the area. If you have questions, please contact Blueprint 2000 at 850-228-0734.
